

Componentes para Esquadrias

STAC

CATÁLOGO DE PRODUTOS
2025

STAC

Iniciando suas atividades em 2001, **STAC** uma referência mundial em fabricação de componentes, ferragens, perfis e ACM.

Com uma instalação de mais de 130.000m² na região da Galícia, Espanha. Conta com um total de 5 fábricas, sendo além da Espanha, também na Polônia, Marrocos e México. É uma das mais tecnológicas fábricas do setor.

Contém mais de 15mil itens em estoque, para atender com qualidade os mais variados projetos e necessidades ao mercado de Esquadrias de Alumínio e PVC.

E no Brasil representado pela **Vita Componentes**, com toda experiência e qualidade em revenda, importação e comercialização de produtos Europeus.
